As the group supporting us from New York reorganize, we await their support in transferring all the needed information from the old website before removing it from the internet.

## \*\*\*\*\*The COA Meeting\*\*\*\*\*

The Council of Advice and Convocation staff considered the following topics during our March meeting.

### Diocesan Council Topics

#### **Budget Update:**

Bishop Mark presented two versions of the revised budget for 2025 as requested in February. Since his first revision including the new grant and appointment of our Canon for Programming and Communication, exchange rates have already changed. We cannot know what may happen given the turmoil of the current situation. The COA approved the Revision 1 2025 Budget using the \$1.10 to 1Euro rate and suggested a note in our official minutes that we understand that numbers will be dependent on this exchange rate remaining relatively stable. We are aware that a budget closer to Revision 2 Budget 2025 is possible.

#### **Scheduling of regular Conseil and SCI Meetings**

In order to simplify the notification and scheduling of these official meetings, Lois queried the need for defining quarterly dates. Denis reminded us that with his appointment as the official gerant of the SCI, only an AGM should be needed. This will be scheduled during the HOM gatherings in June. Quarterly meetings of the Conseil will be scheduled.

### Standing Committee Matters

#### **Oral Liaison matters as needed:**

Resulting from her contact with Janet Day Strehlow, Pippa, requested the status of task force invitations. Janet had been invited to lead up the task force on Peace and Justice as defined above. Also, as already noted, these invitations from the Bishop have been delayed. Janet was encouraged to move ahead and reach out to others suggested for her group. Bishop Mark will get to further invitations as soon as he is able.

The role of the COA Liaisons was discussed and we were reminded of the description of this role prepared in the past by David Case. Some difficulties with clear communication, especially regarding the granting process were discussed in some detail. We affirmed the need for greater clarity and communication in the processes of the Convocation, especially for requesting grants.

#### **EMM – Rainbow Initiative:**

In the process of finalizing our commitment to EMM, Lois requested names and emails for members most interested in this initiative as required in their registration forms. Bishop Mark has the list of those suggested from our parishes for the LGBTQIA+ Task Force. He will follow up with them and Lois, making requests for their permission and interest in having their names and contact information communicated.

**Communication news from Audrey:**

Audrey was pleased to share the information that two grants have been approved that will support ministry for our 20's and 30's groups.

**Council of Advice Matters****Bishop's Report and Matters Arising:**

Bishop Mark sent his written report prior to the meeting. Topics included details of the 2025 Budget calculations as noted above; confidential management and contracting issues; updates regarding transitions and concerns regarding some of our missions and parishes. He also shared his upcoming travel for the House of Bishops meetings in the USA to be followed immediately by a meeting scheduled in Amman, Jordan for the "Anglican Lutheran International Commission on Unity". With all that is on his plate currently, Bishop Mark is unsure whether the latter meeting will be workable.

Holy Trinity, Paris has entered a season of transition since Dean Harlan's March 1 retirement. Bishop Mark is acting as clergy-in-charge as he has done in the past for other parishes. Adding this responsibility to his many others as our Bishop, the schedule of parish visitations will be interrupted. His next scheduled visitation will be to Frankfurt on Trinity Sunday, June 15. He hopes to make up for other visits during the summer months.

**Other Business****Dates of Next Meetings:**

April 7 11:30am; May 21 10:00am; June during HOM meetings 4-7 June.

Our meeting concluded at 12:20 with members praying the Grace together.
